Dear Owolabi

RE: Offer of Employment – Junior Python Developer (Django/Flask)

We are pleased to extend an offer of employment to you for the position of Junior Python Developer at Enbridge. We were impressed by your skills and qualifications, and we believe that you would be a valuable addition to our team. We are excited to welcome you to our organization.

Position: Junior Python Developer (Django/Flask)

Employment Type: Full-time

Location: Remote (3 months) / Physical (after probation, Smartly Hybrid)

Probation Period: 3 months

Terms of Employment:

Probation Period: The first three months of your employment will be considered a probationary period. During this time, you will work remotely, contributing to the development of our projects using Python, Django, and Flask technologies. After the probationary period, you will have the opportunity to work in a Smartly Hybrid model, combining remote work and physical presence at our office.

Salary: Your starting salary will be \$1,500 per month.

(Breakdown document will be forwarded to you at the time of the onboarding process)

Job Responsibilities:

As a Junior Python Developer, you will be responsible for but not limited to:

Assisting senior developers in designing and implementing software applications using Python, Django, and Flask.

Collaborating with the development team to identify and resolve issues.

Writing and maintaining efficient, reusable, and reliable Python code.

Participating in code reviews to ensure code quality.

Contributing to the continuous improvement of our projects and processes.

Benefits and Perks:

Flexible work hours during the Smartly Hybrid period.

Access to learning and development resources to enhance your skills and knowledge.

A friendly and inclusive work environment that encourages innovation and creativity.

Please note that this offer is contingent upon the successful completion of onboarding process and any other pre-employment requirements applicable in your region.

To accept this offer, please sign and return a copy of this letter by 30th, July, 2023, the date you will be onboarded. If you have any questions or require further clarification, please do not hesitate to reach out to your HR in charge..

We are thrilled to have you join our team, and we look forward to working together to achieve our goals at Enbridge. Once again, congratulations on your new role.

Sincerely,

Michelle Prabant
